The Head of Democratic Services presented previously circulated report which provided a draft response to the Maze Long Kesh Development Corporation consultation on its Equality Action Plan and Disability Action Plan.

Councillor S McPeake stated that he was content with the response as detailed but felt that the good relations objective could be strengthened and should include reconciliation and peacebuilding. Councillor S McPeake proposed that the response be submitted with these added comments.

Councillor Doris seconded Councillor S McPeake's proposal.

The Head of Democratic Services stated he would follow up on nominations to the networks with party leads.

PR218/19 Working Group Meeting Report – Council Representation on Outside Bodies

The Head of Democratic Services presented previously circulated report which considered the report of the first meeting of the Working Group on Council Representation on Outside Bodies held on Wednesday 6th November 2019.

Councillor McKinney proposed that D'Hondt should be applied for the filling of outside bodies from the AGM in May 2020 as opposed to May 2023 as set out in report.

The Chair, Councillor Molloy stated that this recommendation would probably have to be taken back to the Outside Bodies Working Group.

The Head of Democratic Services stated that the working group had held a further meeting tonight and that a paper with recommendations would be brought before the Committee in February.

Councillor S McPeake did not feel it was appropriate to cherry pick at the moment as some outside bodies had already been appointed for a four year term.

Councillor McKinney stated that he would stand by his proposal.

Councillor McFlynn seconded Councillor McKinney's proposal.

Councillor S McPeake stated that the situation had evolved since the paper before Members tonight was written.

The Chair, Councillor Molloy stated it may be premature to take a hard and fast decision now and that it may be better to wait on the outworkings of the working group and the report which will be brought forward in due course.

Members voted on Councillor McKinney's proposal -

For – 4 Against – 5
