## Appendix 1 - Summary Lighting costs

Running Costs per year for the Existing Lighting at Magherafelt Council Depot and adjacent Council Carpark

| Section | Existing lighting | No. Req'd | Average (mode) Watts | Approx Power Used (W) |  | Annual Run Hours | Total <br> kWh consumption | Unit cost of electricity (based on winter peak) | Total Cost |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| Magherafelt <br> Council Depot <br> Yard and adjacent Car park | 54No. Metal Halide | 102 | 400 | 3876.4 | 40328.2 | 2000 | 80,656 | £0.17 | £13,711.59 |
|  | 28No. Highbay |  |  |  |  |  |  |  |  |
|  | 6No. IP65 |  |  |  |  |  |  |  |  |
|  | 2No. ARF |  |  |  |  |  |  |  |  |
|  | 12No. Lowbays |  |  |  |  |  |  |  |  |

Forecasted Running Costs per year based on Energy Efficient LED Lighting

| Section | Proposed Lighting | $\begin{gathered} \text { No. } \\ \text { Req'd } \end{gathered}$ | Average (mode) Watts | Approx. <br> Power Used (W) | Total Power Used (W) | Annual Running Hours | Total kWh consumption | Unit cost of electricity | Total Cost |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| Magherafelt <br> Council Depot <br> Yard and adjacent Car park | 47 No. <br> 150watt LED <br> Floodlight <br> 6No. 5ft LED <br> Twin IP65 <br> CP55 <br> 2No. 5ft LED <br> Single IP65 <br> CP30 <br> 40No. <br> 150watt LED <br> Highbay <br> 7No. 50watt <br> LED Floodlight | 102 | 150 | 150 | 13790 | 2000 | 39,344 | £0.17 | £6,688.60 |

## Installation Costs for the new Fittings

- Estimated material costs for new LED fittings - $\mathbf{£ 1 4 , 2 3 5 . 0 0}$
- Estimate cost for the labour and plant hire costs - $\mathbf{£ 1 2 , 7 6 5}$

## Summary of Costs without Energia grant on Materials

| Project Investment <br> (materials only) | $£ 14,235$ |
| :--- | :--- |
| Project Investment (labour <br> \& plant hire) | $£ 12,765$ |
| Total Project Spend | $\mathbf{£ 2 7 , 0 0 0}$ |$\quad$| Current electric Spend | $£ 13,711.59$ <br> (based on peak rate) |
| :--- | :--- |
| Post investment electric <br> spend | £6688.60 <br> (based on peak rate) |
| Potential annual saving | $\mathbf{£ 7 , 0 2 2 . 9 9}$ |

Payback on total overall investment - 3.84 years

## Summary of Costs including 20\% Energia grant on materials

| Project Investment <br> (materials only) | $£ 11,388$ |
| :--- | :--- |
| Project Investment (labour <br> \& plant hire) | $£ 12,765$ |
| Total Project Spend | $\mathbf{£ 2 4 , 1 5 3}$ |

Payback on total overall investment - 3.43 years
