STATEMENT OF COMMUNITY INVOLVEMENT (SCI) FOR THE NEW MID ULSTER LOCAL DEVELOPMENT PLAN 2030 AND DEVELOPMENT MANAGEMENT FUNCTIONS

1.0 What is the purpose of the Statement of Community Involvement (SCI)?

Purpose of the Statement

- 1.1 The purpose of this SCI is to set out policy for involving and engaging with the community in the production of the new Mid Ulster Local Development Plan (LDP) 2030, in the consideration of planning applications and in planning enforcement. It is required to ensure compliance with the Planning Act (Northern Ireland) 2011 and the Planning (Statement of Community Involvement) Regulations (Northern Ireland) 2015. It describes who, how and when the community will be invited to participate in the different stages of the Local Development Plan formulation, the determination of planning applications, in planning enforcement and a range of other planning matters.
- 1.2 This SCI is not intended to be a source of definitive legal advice. Reference should be made to the actual legislation referred to in this statement and if any discrepancy exists the provisions of the legislation will prevail.

A Vision of Participation

- 1.3 *“A sustainable society must be instilled with democratic values. Its citizens must share a sense of effective participation in the decision making process. They must feel they have a say in their society’s development and the skills, knowledge and ability to assume responsibility for that development”* – **The Sustainable Development Strategy for Northern Ireland. First Steps Towards Sustainability (DOE 2006)**
- 1.4 This is a shared vision of participation in decision making and it is therefore aimed to ensure that:
 - Everyone has an early and informed opportunity to express their views on the development of the area and have it considered before decisions are made;
 - All groups in our community, regardless of religious belief, political opinion, racial group, age, sex, marital status, physical ability, sexual orientation, and those with and without dependents are enabled and empowered to participate;
- 1.5 The Mid Ulster District Council Corporate Plan 2015 – 2019 sets out the visions, values and priorities for Mid Ulster District Council up to 2019 and the Community Plan further expresses that vision. The interests of the community are at the centre of these visions, values, and priorities and accordingly the SCI will reflect this by placing the community at the heart of all planning related matters in Mid Ulster.

- 1.6 It is intended to adopt a proactive and timely approach to community involvement through a process of providing clear information and encouraging participation during plan preparation and the submission, assessment and determination of a planning application. The process must therefore be informative, user friendly, as inclusive as possible, and conducted in an open and transparent way. Every effort is to be made to engage the community, record views and provide feedback.

Principles of Community Involvement

- 1.7 It is vital that the Council is committed to uphold the following principles of community involvement and that these are reflected in the methods of consultation described throughout this SCI.
- **A culture of engagement** - People should know that they are encouraged to take part in the planning process and that decision makers are genuinely interested in their views.
 - **Early involvement or “frontloading”**- The community should be involved at an early stage in the preparation of Local Development Plan documents and major development proposals.
 - **Continuing involvement** - The community should be involved throughout the process, both formally and informally, of preparing Local Development Plan documents and major development proposals.
 - **Reaching out** - Methods used to encourage involvement should be appropriate to people’s experience and needs.
 - **Fit for purpose** - Arrangements for consultation need to be appropriate for the type of document or application being considered and being realistic in terms of available resources.
 - **Clarity** - The planning process and timetables for producing or reviewing Local Development Plan documents should be clear so that people are able to participate in a timely and effective manner.

2.0 Local Community involvement in the preparation of the Mid Ulster Local Development Plan 2030

Purpose and structure of the Local Development Plan

- 2.1 The purpose of the Mid Ulster Local Development Plan, comprising the Plan Strategy and Local Policies Plan, is to inform the general public, statutory authorities, developers and other interested bodies of the policy framework and land use proposals that will implement the strategic objectives of the Regional Development Strategy and guide development decisions within Mid Ulster up to 2030.
- 2.2 The preparation of the Local Development Plan will take account of the Mid Ulster District Council Corporate Plan 2015-2019 and the Community Plan so that there is a shared vision for the Council area and communities and it will set out the

long term social, economic and environmental objectives for the district. The Local Development Plan will also take account of regional policy context set by the Northern Ireland Executive and Central Government Departments. This includes, amongst others, the Sustainable Development Strategy, the Regional Development Strategy, the Strategic Planning Policy Statement and Planning Policy Statements.

- 2.3 The Mid Ulster Local Development Plan will replace the Cookstown Area Plan 2010, Dungannon and South Tyrone Area Plan 2010 and the Magherafelt Area Plan 2015. The Plan will be produced in two stages consisting of two separate documents which will shape development within our district in the period to 2030. The first stage will be a Plan Strategy followed by Local Policies Plan
- 2.4 Prior to the preparation of the Plan Strategy and Local Policies Plan the Council will identify key issues in the plan area and will formulate a series of options for dealing with them. This information will be published as a Preferred Options Paper which will indicate a Council's preferred options for growth and development in their area and will be the basis for consulting with the public and stakeholders who will have an opportunity to put forward their views and influence the plan from the outset.
- 2.5 The Plan Strategy will establish the strategic direction of the plan in order to provide a level of certainty on which to base key development decisions in the area as well as the necessary framework for the preparation of the local policies plan. The Strategy will set the aims, objectives, overall growth strategy and associated subject policies applicable to the plan area.
- 2.6 Prior to the publication of the Local Policies Plan (LPP) the Council will publish a Local Policies Plan 'Key Issues' Paper identifying the key issues in the area and will provide the public with the opportunity to comment them to inform the preparation of the LPP.
- 2.7 The Local Policies Plan (LPP) will be consistent with the Plan Strategy. In contrast to the Plan Strategy the LPP will deal with site specific policies and proposals associated with settlement limits, land use zonings and environmental designations required to deliver the council's vision, objectives and strategic policies.
- 2.8 A Sustainability Appraisal (SA), including a Strategic Environmental Assessment (SEA) of the Local Development Plan will run in parallel with the preparation of various stages of the plan and will be an ongoing process. The purpose of the Sustainability Appraisal is to promote sustainable development through the integration of social, environmental and economic considerations into the preparation of the Local Development Plan. The purpose of the SEA is to assess the potential environmental impacts of the Plan so as to ensure protection of the environment. Reports from the various stages of the Sustainability Appraisal (including SEA) will be published at the key stages of the plan preparation.

Who can get involved?

2.9 Mid Ulster Council will involve the community at an early stage in the planning process and anyone who wishes to get involved is encouraged to do so at the opportunities provided. In particular the views of the following groups of people will be sought however this list is not intended to be exhaustive and in no way restricts other individuals, groups and organisations from participating in the planning process.

- People living within the Mid Ulster area
- Elected Representatives
- Voluntary Groups
- Community Forums/Groups/Umbrella Organisations
- Environmental Groups
- Residents Groups
- Business Interests
- Developers/Landowners
- All individuals and groups with an interest in the area

2.10 Elected members, forums, community and residents groups provide a voice for the local community. Other voluntary and interest groups also bring a special knowledge and can ensure that important concerns are addressed. Lists of these groups are contained within Appendix 1.

Empowering disadvantaged and under-represented groups

2.11 Section 75 of the Northern Ireland Act 1998 requires a public authority, in carrying out its functions relating to Northern Ireland, to have due regard to the need to promote equality of opportunity between:

- persons of different religious belief, political opinion, racial group, age, marital status or sexual orientation;
- men and women generally
- persons with a disability and persons without; and
- persons with dependents and persons without

2.12 In addition, without prejudice to the above obligations, public authorities are required to have regard to the desirability of promoting good relations between persons of different religious belief, political opinion or race. The above “Section 75 groups” are important participants within the planning process and include people who traditionally have been under represented or disadvantaged. These groups will be targeted through the consultation process on the local development plan in order to obtain their views and contribute to the consideration of equality issues under Section 75. Their views on any equality screening documents or draft Equality Impact Assessments will also be sought within the specified period for comment along with the draft Plan Strategy and draft Local Policies Plan. A list of Section 75 groups is also contained within Appendix 1.

- 2.13 In order to ensure the Local Development Plan and consultation documents are accessible to everyone, they will be made available upon request in different formats. All documents will be published in plain English. A telephone and fax number will be stated on each document for people with hearing or speech impairment. If for any reason, a request for a document in a particular alternative format cannot be met, other solutions will be explored.

How and when will the community be involved?

- 2.14 A Local Development Plan is made in different stages, each presenting opportunities for community involvement. Each of these stages are identified below with the actions that are to be taken to involve the community. The actions will fulfil and in some cases exceed the statutory requirements on public consultation. The Timetable for when the different stages are to be reached will be obtainable from the Mid Ulster Council Offices in Dungannon, Cookstown and Magherafelt at the addressed detailed below and also on the Council website www.midulstercouncil.org.

Developing an Evidence Base

- 2.15 Surveying and information gathering will be an ongoing function of the Council, however, it will be particularly important at this early stage of plan preparation. Information obtained at this stage will be used to establish the social, economic and environmental characteristics of the plan area and enable the Council to determine the issues which need to be addressed and the options for addressing them. This will be undertaken using a topic based approach accompanied with a Countryside Assessment.

Actions/Governance

- Formation of a **Steering Group** comprising the Mid Ulster Planning Committee, the Chief Executive and the Planning Manager. This will be the high level co-ordinating body that will ensure an overview and strategic input on behalf of the whole community, as well as from the planning professionals

They will also be provided opportunity to identify any particular issues or needs which they feel the plan should address. Where requested this can be done through a face to face meeting with a planning official. Any comments received will be taken into account when screening and scoping the EQIA.
- The scoping report of the SA (including SEA) will be sent to the statutory consultation body and if necessary, the **Department for Infrastructure – (DfI – previously DoE)** may be requested to undertake trans-boundary consultation with the Republic of Ireland.
- Issue a **Public Notice** in the Mid Ulster Mail and the Tyrone Courier confirming the publication of the Mid Ulster Council Timetable for the preparation of the new Local Development Plan as well as other supporting information. The notice will state that the agreed timetable and supporting information will be made available for inspection during normal office hours in all three Council Offices and such other places within the district considered appropriate as well as being available on the Council website www.midulstercouncil.org

Preferred Options Paper

- 2.16 This is the first formal stage in the preparation of our Local Development Plan. This stage commences with the publication of the Preferred Options Paper (POP). The POP is a consultation paper to promote debate on issues of strategic significance which are likely to influence the shape of future development within Mid Ulster. 3.0 Local Community Involvement in Mid Ulster Development Management Functions

Purpose

- 3.1 The Council as the local planning authority for the area deals with the majority of planning applications in the district. Planning applications are now categorised on receipt as local, major or regionally significant. The council are responsible for the local and major applications whilst the DfI processes those applications that are regionally significant. The Council also deals with Listed Building applications and applications for works in Conservation Areas, works to Protected Trees and Advertising Consent. Development management is the process through which such applications are considered. An important part of the process is to provide information and advice to applicants and to seek and take into account the views of the general public and statutory consultees on all planning applications. The statutory requirements for consultation on planning applications are set out in legislation. These requirements vary according to the type of proposal but include notification to specified bodies and the general public. It is also worth noting that there is provision within the Planning Act (Northern Ireland) 2011 for the DfI to call in a planning application, an application for Listed Building Consent and an application for Hazardous Substance Consent; although this is to be the exception.
- 3.2 The Council receives a wide variety of planning applications and therefore needs to involve the community to differing degrees, according to the scale and complexity of the application.
This section of the SCI looks at:
- how the public can become involved at the various stages of the application process; and

- how the level of community involvement will depend on the scale of the application.

Pre-Application Stage

Pre-Application Discussions (PADs)

- 3.3 Pre-application discussions are encouraged for a range of types of applications, both major and local. The objective of pre-application discussions should be to confirm whether the principle of development is acceptable and to clarify the format, type and level of detail required to enable the council to determine an application. For major applications it will also enable the applicant to discuss with the council details of how the community should be involved in the decision-making process.

Pre-Application Community Consultation (PACC)

- 3.4 The council strives to inform and involve the wider community in helping to create better quality developments and place making. Applicants who submit major applications to the council or as the case may be, the Department must undertake community consultation before submitting their application.

The Council will require the following actions to be undertaken before the application is submitted:

- **Notify the Council** by way of a “proposal of application notice” (PAN), at least 12 weeks in advance, that an application for a major planning application is to be submitted.
 - Hold at least one **public event** where the community will be afforded the opportunity to make comment.
 - **Publish details** of the proposal in the local press, outlining where further details can be obtained and the date, time and location of a public event.
 - Submit a pre-application community consultation report to accompany the application.
- 3.5 Pre-application consultation is likely to be more successful if the applicant makes significant efforts to open lines of communication with, and provide feedback to local communities and work with them to secure development proposals which are acceptable to everyone.
- 3.6 As previously stated the Council would recommend all applicants considering submitting development proposals that fall within the definition of major development to seek a Pre-Application Discussion with planning officers.

Where applicants fail to fully meet the pre-application community consultation requirements the Council will decline to determine the application.

Application Stage

- 3.7 When a planning application is submitted for determination the Council will involve the community in the decision making process. If you feel you will be affected by development proposals you will have an opportunity to consider what is proposed and how it will affect you. You will also have the opportunity to make your views known before a final decision is made on the application.

Advertising and Neighbour Notification

- 3.8 The Council undertakes statutory public engagement in accordance with current legislation. Government may change the statutory requirements and our future approach will reflect any changes that are made.

Advertising

- 3.9 The Council will advertise all new applications on a weekly basis in at least one local newspaper (in accordance with **Section 41 of the Planning Act (Northern Ireland) 2011 and Section 8 of the Planning (General Development Procedure) Order (Northern Ireland) 2015**). The Mid Ulster Mail and Tyrone Courier are the publications used by Mid Ulster Council. The weekly list of all new applications received by the Council can also be viewed on our website www.midulstercouncil.org. The advertisement will advise that any representations that are made should be received within 14 days of the publication. This will assist in the efficient processing of the application, however, material representations will be considered up until a decision on the proposal is reached.

EIA Development

- 3.10 Environmental Impact Assessment (EIA) is a method for ensuring that the likely effects of new development on the environment are fully understood and taken into account before consent is given for the development to proceed. The Environmental Statement (ES) produced as part of an environmental impact assessment, brings together in a single document or series of documents information about a proposed development and its effects on the environment.
- 3.11 In most cases it will fall to the council to determine if the application is an EIA application. It should be noted that if an application is an EIA application it cannot be processed until the ES is received. When a developer submits an ES in support of a planning application, the Council will publish a notice of its receipt in a local newspaper (The Mid Ulster Mail and Tyrone Courier are the publications used by Mid Ulster Council) and indicate where it may be purchased and the address of the Council Office where it may be inspected. The Council will also allow 4 weeks from the date the notice is first published for representation to be made.

Neighbour Notification

- 3.12 **Article 8 of The Planning (General Development) Procedure Order (Northern Ireland) 2015** states that any identified occupier of land neighbouring the land to which the application relates shall be notified by serving a notice on them. Under the Council's Neighbour Notification Scheme, the Council will ensure that planning applications are brought to the individual attention of the occupiers of buildings on neighbouring land which are within 90m of the boundary of the application site.

Neighbouring land is defined as 'land which directly adjoins the application site or which would adjoin it but for an entry or road less than 20m in width'.

- 3.13 The Case Officer when carrying out a site inspection will also check the accuracy of the neighbour notification details supplied on the application form and may add details as considered appropriate.
- 3.14 The period for responding following receipt of a neighbour notification letter is 14 days, though any late representations received before a decision is made will still be considered.

Obtaining further information and getting involved in planning applications

- 3.15 The weekly lists of planning applications received within Mid Ulster council area are also available on the Northern Ireland Planning Portal (www.planningni.gov.uk). Planning applications including supporting documents and corresponding plans can be viewed online as well at the council offices during normal office hours. Planning Officers are available to give advice on current or proposed applications (you are advised to make an appointment if you wish to speak to a particular officer).

Public Register

- 3.16 The Public Register of planning application decision is a mix of both electronic and paper formats prior to a point in 2017. After planning reference LA09/2017/0756 the public register of decisions can be accessed at www.planningni.gov.uk where drawings, decision notices and reports are available for public viewing. The paper copy files before 2017 contain the following:
- a copy(which may be photographic) of each application together with copies of plans and drawings submitted in relation thereto;
 - the decision notice, if any, in respect of the application, including details of any conditions subject to which permission or consent was granted;
 - the reference number, the date and effect of any decision of the PAC in respect of the application; and
 - brief details of any revocation or modification relating to any permission or consent, including date of issue.

File Inspection

- 3.17 The Council will make the application file available for inspection at the Councils Planning Department at the Magherafelt Office, Ballyronan Road, Magherafelt, BT45 6EN, by appointment which can be made at Tel: 03000 132 132. The amount of information on the file, will of course, be dependent on the stages the application has completed. Copies of drawings and application forms can be viewed by appointment at a planning clinic in Dungannon Council Offices and Cookstown Council Offices on a weekly basis. An appointment can be made at Tel: 03000 132 132.

Submitting Comments

- 3.18 Individuals, groups and organisations can comment on a planning application even if they have not been neighbour notified by the Council. All comments will be carefully considered. Care should be taken when making comments to the Council to ensure that no personal data is included.
- 3.19 When a decision is made on a planning application only those matters which are material to the planning decision are given weight. These include a wide range of issues such as impact on neighbouring amenity, natural and built heritage, and public and highway safety. However, matters such as the impact on property prices are not normally considered material to a planning decision.
- 3.20 Greater weight is generally attached to issues which are supported by evidence rather than solely by assertion. If an identified problem can be dealt with by means of a suitable condition the Council is required to consider this as an alternative to refusing an application.
- 3.21 You can make comments in a variety of ways, these are as follows-
Online at: www.midulstercouncil.org
By email: planning@midulster.org (Please quote the application number)
By post to: Mid Ulster Development Management Team, Mid Ulster District Council, Magherafelt Office, 50 Ballyronan Road, Magherafelt, Co. Derry, BT45 6EN
- 3.22 All written comments on an application will be acknowledged within five working days, however the Council may be unable to respond to each comment made due to the large number it receives. All comments will be summarised and fully considered within the Planning Officer's report. The acknowledgement letter will set out who is dealing with the application and who to contact if there are any questions. The Council will not normally contact the respondent again until after a decision is made.
- 3.23 The Council may, if it considers it appropriate to do so, stage public exhibitions, Issue press releases or arrange public meetings to provide information about major developments or proposals which are particularly significant or have wide-spread effects on communities.

- 3.24 You may also wish to contact your local councillor, who has the ability to request that the application is determined by the relevant planning committee. Oral, or defamatory comments cannot be taken into account. You should ensure that your comments relate to relevant planning matters.
- 3.25 The Council will consult with Statutory Consultees where appropriate (**see Appendix 2**) to assist in the determination of an application. If a representation raises issues that are relevant to the responsibilities of the consultee (e.g. road safety) the representation will be copied to the appropriate consultee for consideration and comment. The Council will carefully take any comments made into account before a decision is made. All comments are scanned and added to the web site once personal email addresses and hand written signatures have been removed (it should be noted that typed names and addresses remain visible).
- 3.26 The council may negotiate changes to applications where these are expedient. Re-consultation (for 14 days) will take place on minor changes if the Council considers that they raise new issues that could lead to further comment. If any change is considered to be substantive, the council may decline to treat it as an amendment and a new application may be invited.

Community Involvement at the Planning Committee Stage

- 3.27 Planning applications are usually determined by officers using delegated powers. The circumstances under which an application can, or cannot, be determined using delegated powers are set out in the Council's **Scheme of Delegation**, which is subject to regular review.

Pre-determination hearings and speaking at the Planning Committee

- 3.28 For those major applications of which notification has been forwarded to DfI but have been returned to the Council for determination the Council will afford the applicant the opportunity of appearing before and being heard by the Council. If a planning application goes before a planning committee, those people who have made representations will have the opportunity to speak at the committee meeting, in line with the relevant protocol. It will be the responsibility of the person wishing to speak at the committee to check the public access link at www.planningni.gov.uk to keep informed of the status of the application. The council will not contact them to let them know the application is due to be presented to planning committee.
- 3.29 Arrangements and requirements for speaking at the Planning Committee are set out in the Protocol for Planning Committee. This Protocol is available on the Council website or upon request.

Community Involvement after a Planning Application has been determined (Post Application Stage)

- 3.30 A notification of the decision is sent to the applicant/agent and to those who have responded to the consultation on the planning application. The reasoning behind the decision will be set out in the Planning Officer's report which will be available on the Council website or upon request. Where a committee has disagreed with the officer's recommendation the justification will be available to view in the minutes of the planning committee. An advertisement will be placed in the local paper if a decision is taken on an application that was accompanied by an Environmental Statement.

Involving the Community when an Appeal is made against a Planning Refusal/Granted Conditions/Enforcement Notice

- 3.31 Only applicants and those upon whom notices have been served have the right of appeal. There are no third party rights of appeal. Where an applicant is unhappy with the Council's decision on an application or a condition attached to a permission, he/she may appeal to the PAC. An applicant may also appeal to the PAC where the Council has not determined an application within the relevant period prescribed by the Planning (General Development Procedure) Order (NI) 2015. Appeals must be lodged with the PAC within four months from the date of notification of the Council's decision, or expiry of the prescribed period as the case may be.
- 3.32 Copies of representations will be forwarded to the Planning Appeals Commission (PAC). For hearings and public inquiries, the interested parties have the opportunity to make their views known verbally to the PAC. The guidance on Planning Appeals and the rights of applicants and objectors can be found on the PAC website www.pacni.gov.uk

Community Involvement in Planning Enforcement

- 3.33 The council encourages the community to report cases where they believe there has been a breach of planning control. A breach of planning control occurs when development or other certain activities take place without the necessary planning permission or consent from the Council or the DfI. This may also include failure to carry out development in accordance with the approved plans or conditions.
- 3.34 All planning enforcement related complaints are treated confidentially. If the complaint results in a planning application being submitted, then this will be publicised in the normal manner and adjoining neighbours notified.
- 3.35 In cases where planning enforcement action is taken, complainants are informed of the action. Where no action is taken the Council will also notify the complainant.
- 3.36 The Council's priorities for enforcement action are contained within the Council's Enforcement Strategy which can be viewed on our website www.midulstercouncil.org and can be obtained in hard copy by contacting the Planning Department at 03000 132 132. The Enforcement Strategy is subject to regular review.

Community Involvement in Supplementary Planning Guidance (SPG)

- 3.37 The Council will also prepare non-statutory planning guidance to support its development plan. Supplementary planning guidance includes for example design guides and advice notes. Consultation on SPG will take place in a proportionate manner where the Council feels it will be beneficial to give additional regard to the opinions of stakeholders and the general public. Any comments received will be considered by the Planning Committee. It is not necessary for SPG to go through the public examination process.

Community Involvement in Conservation Area Designation

- 3.38 A Conservation Area is an area of special architectural or historic interest, the character of which it is desirable to preserve and enhance. The Council considers that consultation with, and the involvement of local people is important when undertaking work associated with Conservation Areas. This will help encourage greater ownership of the concept and greater co-operation and commitment to achieving the aims of the designation. The Council will involve the community in the designation, variation or cancellation of a Conservation Area. This will entail formal consultation with the Historic Environment Division (HED) in what will be the new Department for Communities (DfC). Any alterations to existing Conservation Areas or designation of new Conservation Areas will be advertised through local press (The Mid Ulster Mail and Tyrone Courier are the publications used by Mid Ulster Council). Where appropriate public meetings will be held to discuss and present proposals.

Community Involvement in the Designation of a Simplified Planning Zone

- 3.39 If the Council proposes to commence work on a simplified planning zone it will undertake consultations with the neighbouring District Council, the land owner and occupier, the DfC and will notify the DfL.
- 3.40 Once details of a scheme have been prepared the Council will make copies available for inspection at the Council's office, give notice by way of an advert in the local press (The Mid Ulster Mail and Tyrone Courier are the publications used by Mid Ulster Council) and on the Council's website www.midulstercouncil.org, and will serve a notice on those it has consulted with.
- 3.41 Following advertising of the proposed planning zone(s) details there will be an eight week period when representations can be made to the Council. If the Council subsequently decides not to proceed with the proposed planning zone it will publish a further advertisement to that effect and will notify all those have made representations.

- 3.42 The Council may cause an independent examination to be held to consider the representations received. Where it is proposed to hold an independent examination details including the time and place of the examination will be published in the local press. Where it is decided not to hold an independent examination the Council will notify all those who have made representations.
- 3.43 Following the independent examination the Council will produce a report and statement detailing its decision and outlining reasons for its decision. Notice of publication will be advertised in the local press and the report and statement will be available for public inspection in the Council offices.

Review of the Council's SCI

- 4.0 The body of the SCI will also be reviewed annually to ensure fitness of purpose and to take account of major Legislative changes where relevant.
- 4.1 Where groups or bodies want to be added to the lists of consultees included in Appendix 1 they are advised to make a submission in writing or by email to the planning Department in the Council:

By email: planning@midulster.org

By post to: Mid Ulster Development Plan Team, Mid Ulster District Council, Magherafelt Office, 50 Ballyronan Road, Magherafelt, Co. Derry, BT45 6EN.

Any requests received will be considered.
