Notice of Motions

- 14 Councillor G Shiels to move:

"That this council writes to the Permanent Secretary of the Department for Health, requesting a meeting to explain to Council how the Department intends to deliver the promise made personally by the Prime Minister, relating to the root and branch review of the state of mental health within the workplace, the review which she commissioned.

That nationwide review was named "Thriving at Work" and Mrs May promised at the publication of the review that she would as a first step introduce the ground-breaking proposals contained in the review to the NHS and the Civil Service. This would benefit up to two million public sector workers.

The question is would that promise travel and would workers in Northern Ireland benefit. If not, why not?"

Items restricted in accordance with Section 42, Part 1 of Schedule 6 of the Local Government Act (NI) 2014. The public will be asked to withdraw from the meeting at this point.
