Subject: Market Surveillance Grant funding Update for 2021/22

CAUTION: This email originated outside of Council. Do not click links or open attachments unless you recognise the sender and know the content is safe.

As you know, OPSS has not had it's budget confirmed from the BEIS Spending Review. However, I am able to confirm at this stage that an indicative budget of £605,000 has been allocated to all the eleven district councils for the financial year 2021-22.

As we progress with the relevant steps, we look forward to your updated proposal and workplan for market surveillance shortly.

If you have any questions, please do contact me.

Kind Regards,
