Mid Ulster Elective Care

- Developing Elective Care Centres by December 2018.
 - For Cataract Surgery a three site model is proposed:
Mid-Ulster Hospital, South Tyrone Hospital & Downe Hospital
 - For Varicose Vein Surgery a two site model is proposed: Lagan Valley and Omagh Hospital.
- **Final Proposed Model for Regional Elective Care Centres will be Subject to public consultation**

Winter Action Plan

Our objective: To prepare to care safely for an increased number of patients presenting at our acute hospitals this winter.

Six Action Work Streams

- 1 Staff Wellbeing**
- 2 Patient Experience**
- 3 Our Partners**
- 4 Physical Space and Service Protection**
- 5 Transformation Initiatives**
- 6 Extra Physical Capacity**
