E107/19 Apologies

Councillor Glasgow.

E108/19 Declarations of Interest

The Chair reminded Members of their responsibility with regard to declarations of interest.

E109/19 Chair's Business

The Director of Public Health and Infrastructure advised of correspondence received from Northern Ireland Housing Executive which referred to the Housing Executive's work with Council in identifying suitable sites within the District for Travellers and their attendance at the Council's Traveller Working Group. The correspondence advised that the Housing Executive have appraised the eleven Council sites identified but that all have constraints and are deemed unsuitable. On that basis, the Housing Executive are now trying to establish potential sites in private ownership however it was advised that there is existing capacity at Traveller sites in Belfast, Craigavon and Derry/Londonderry. The Housing Executive confirmed that their resources were limited and there was a difficulty in engaging with the Council Traveller Working Group on an ongoing basis, it was advised that the Housing Executive could no longer attend the working group meetings but agreed to provide two reports a year to the Environment Committee by way of update.

The Director of Public Health and Infrastructure also advised of correspondence received from Department for Infrastructure in relation to the Draft Design Guide for Traveller Sites consultation which would close on 31 July and that the two letters of correspondence would be discussed at the next Traveller Working Group.

Councillor McGinley expressed his shock that the Northern Ireland Housing Executive were withdrawing from the working group, he stated that the working group needed to consider its next steps and also needed to engage with the consultation. Councillor McGinley stated he was the Chair of the working group but that unfortunately the next meeting conflicted with another diary engagement which also affected other Councillors and that he had asked that the next meeting of the Traveller Working Group be rescheduled. The Councillor asked if the response timeframe to the consultation would pose a difficulty.

The Director of Public Health and Infrastructure advised that the timeline for the response to consultation should not prove a difficulty and that it would be possible to bring a draft response to the next Environment Committee meeting.

Councillor McGinley proposed that the next meeting of the Traveller Working Group be rescheduled to discuss the correspondence received from Northern Ireland Housing Executive and response to consultation.

Councillor McNamee seconded Councillor McGinley's proposal.

Resolved That it be recommended to Council to reschedule the next meeting of the Traveller Working Group.

Councillor Wilson asked for update in relation to Travellers located at Hillhead.

The Director of Public Health and Infrastructure advised that Travellers were still located in the layby at Hillhead, that this layby is owned by DfI Roads and that they were working with their own legal teams on the matter. The Director stated he expected to have an update for the next Traveller Working Group.

Councillor Wilson stated he would have expected an update before now and asked officers to get an up to date position and circulate to Members.

Councillor McFlynn asked that the letter from Northern Ireland Housing Executive be circulated to Members.

The Director of Public Health and Infrastructure advised that the letter would be sent out with the papers for the next Traveller Working Group.

Councillor Burton referred to playgroup in Clogher which is relocating to the former Clogher Primary School on a temporary basis, the Councillor stated there was some concern amongst parents in that the public toilets were located at the school and asked that consideration be given to closing the toilets for the morning session of the playgroup (up to 1pm) as this would mean that the gates could be closed and there would be no childcare issues. The Councillor stated that there was alternative toilet provision located in Augher and Fivemiletown and that the parents of children attending the playgroup would like confirmation from Council that the toilets at the former Primary School will remain closed to 1pm for the period in which the playgroup will be located there (approximately one year).

Councillor McAleer concurred with Councillor Burton's comments and that an alternative was needed as soon as possible, this would also help to eliminate spread of infection. The Councillor felt that the toilets at the former Clogher Primary School

should be closed permanently and relocated as there were other suitable locations in Clogher.

The Director of Environment and Property stated that he took on board Members' concerns and referred to possible Service Level Agreement with a shop/filling station in Clogher which would allow the toilets at the former Primary School to be closed. The Director advised that a similar SLA arrangement had worked well in Draperstown. The Director suggested that officers explore the SLA approach with the fallback being to close the toilets at the Primary School between 9am-1pm.

Councillor Burton proposed that officers proceed with investigating the possibility of a Service Level Agreement between Council and other suitable premises in Clogher for the provision of public toilet facilities.

Councillor McAleer seconded Councillor Burton's proposal.

Resolved That it be recommended to Council to investigate the possibility of a Service Level Agreement between Council and other suitable premises in Clogher for the provision of public toilet facilities.

Councillor Cuthbertson referred to ongoing dog fouling problem right across the District and asked that a report be brought back to the next Committee meeting outlining who is authorised to issue fixed penalties with a view to extending the authorisation to park wardens.

Councillor Cuthbertson advised he had recently been invited by Dungannon Ladies Bowling Club to open the premises at Drumcoo for the season, the Councillor stated that there were a number of issues relating to damage to the building, graffiti, rubbish and broken glass. The Councillor advised that the Bowling Club had informed him of children in school uniform outside the premises who were smoking/using vapes and that persons had also gained access to the roof of the building. Councillor Cuthbertson advised that the Bowling Club have expressed concern in relation to the security of the building and that whilst there are CCTV cameras in place it was not known whether these cameras were in operation. The Councillor stated that the bowling green attracts visitors from all over Northern Ireland and asked officers to make contact with the Bowling Club as a matter of urgency.

Mr McAdoo entered the meeting at 7.19 pm.

Councillor Milne stated that additional officers who can issue fixed penalties would be beneficial, the Councillor stated he would also like to know how many fixed penalty notices had been issued in the last year.

The Director of Public Health and Infrastructure advised that report in relation to authorising officers and number of fixed penalty notices issued would be provided for September meeting.

Councillor Cuthbertson stated that the summer was a crucial period and felt there should be increased patrols and cleansing taking place over the next couple of months.

Councillor B McGuigan referred to previous discussion in which additional bins were requested for the Draperstown area, the Councillor stated that the infrastructure was now in place and therefore there was no excuse for dog walkers not to use the bins.

Councillor McAleer felt that an advertising campaign highlighting that ordinary bins can be used to dispose of dog foul (if bagged) would be useful as there was a lack of knowledge in the public in this regard.

Councillor Burton stated that the Eco Park in Aughnacloy had recently suffered from a lot of anti social behaviour, that a seat was broken, there was broken glass and the life saving device at the pond had gone missing. Councillor Burton also referred to the pilot in Aughnacloy and asked for an update in how successful the watching eyes campaign had been.

Councillor Wilson asked what criteria is used when allocating bins, the Councillor referred to previous request for bins at Lomond Heights in Cookstown and stated that one bin had been provided which was totally inadequate for the area whilst Fountain Road in the town had three bins. Councillor Wilson felt there was no uniformity in relation to the provision of bins.

The Director of Environment and Property agreed that there was no consistency in relation to bin provision as there were currently three different policies in place. The Director advised that work was ongoing in bringing forward a policy for Mid Ulster Council and a report would be brought to Committee in due course.

Councillor Wilson asked that a further bin be situated at either end of Lomond Heights in the interim.

Councillor Cuthbertson advised that he had been driving on the A4 at 9am that morning and every bin along the road was overflowing.

Matters for Decision

Revocation of a Disabled Persons' Parking Bay – Moore Street,
Aughnacloy**

Members considered previously circulated report which sought agreement in relation to proposal from Department for Infrastructure Roads with regard to proposed revocation of a Disabled Persons' Parking Bay at Moore Street, Aughnacloy.

In response to Councillor Burton's question the Director of Environment and Property advised that a disabled persons' parking bay can be removed when the applicant has moved away from the area/died.

Proposed by Councillor S McGuigan
Seconded by Councillor McAleer and

Resolved That it be recommended to Council to endorse the proposal submitted by Department for Infrastructure Roads in relation to proposed revocation of a Disabled Persons' Parking Bay at Moore Street, Aughnacloy.

E114/19 DfI Roads Proposal to Mid Ulster District Council – Proposed No Waiting At Any Time – Market Square, Dungannon

Members considered previously circulated report which sought agreement in relation to proposal from Department for Infrastructure Roads with regard to proposed no waiting at any time at Market Square, Dungannon.

Councillor Cuthbertson referred to the map submitted from DfI Roads which he felt was not accurate and that it was unclear where the no waiting at any time is to be located.

The Director of Environment and Property advised that the location can be clarified.

Proposed by Councillor S McGuigan
Seconded by Councillor McAleer and

Resolved That it be recommended to Council to endorse the proposal submitted by Department for Infrastructure Roads in relation to proposed no waiting at any time at Market Square, Dungannon, subject to amended plan indicating the location of No Waiting At Any Time.

E115/19 DfI Roads Proposal to Mid Ulster District Council – Proposed Limited Waiting At Any Time at Thomas Street, Dungannon

Resolved That it be recommended to Council to endorse the proposal submitted by Department for Infrastructure Roads in relation to proposed limited waiting at any time at Thomas Street, Dungannon.

E116/19 Environmental Services Service Improvement Plan 2019/20

Members noted previously circulated report which detailed Environmental Services Service Improvement Plan for 2019/20.

E117/19 Landfill Closure and Aftercare Financial Provision

The Head of Environmental Services presented previously circulated report which provided update on the closure and aftercare arrangements for the Council's landfill sites and to seek approval for revised Local Authority Deed Arrangements.

Proposed by Councillor S McGuigan
Seconded by Councillor Milne and

Resolved That it be recommended to Council to approve the revised Local Authority Deed Agreements (as circulated at appendix to report) and financial provision of £3,500,168 for the three landfill sites.

E118/19 Dual Language Signage Surveys

The Head of Building Control presented previously circulated report which advised on the results of surveys undertaken on all applicable residents on the streets/roads in response to Dual Language Signage nameplate requests.

Councillor McNamee proposed the report recommendations.

Councillor McGinley seconded Councillor McNamee's proposal.

Councillor Cuthbertson proposed that Council do not proceed with the erection of signage.

Councillor Brown seconded Councillor Cuthbertson's proposal.

Councillor McNamee stated that Dual Language signage was within Council policy and the report should be for information.

The Head of Building Control advised that the surveys under consideration were approved under the old policy and have therefore been presented tonight under the old policy ie. for decision. The officer advised that this would be the last batch of surveys being brought under the old policy.

Members voted on Councillor Cuthbertson's proposal –

For – 6

Against – 9

Resolved That it be recommended to Council to agree the application of Dual Language Nameplates in Irish for –

- The Orchard, Draperstown
- Back Lower Road, Dungannon
- Regency Drive, Magherafelt
- Dalriada Park, Dungannon
- Wellbrook Avenue, Dungannon
- Carrycastle Road, Aughnacloy
- Chapel Street, Cookstown
- Glen Gardens, Maghera
- Killymoon Street, Cookstown
- Tirnaskea Road, Pomeroy
- Gortsraheen Road, Pomeroy
- Loughview Close, Stewartstown

Councillor McNamee asked if any Dual Language signage had been damaged over the election period. The Councillor asked for a report on the number of Dual Language signs damaged, the type of sign (gateway, road, street) being damaged and detail of hotspots in which signs are being repeatedly damaged.

The Director of Environment and Property advised that some Dual Language signs were damaged over the election period and that some of these signs are being continually damaged. The Director advised that Council are trying to take action to catch the perpetrators of the damage.

Councillor Burton referred to the number of signs damaged across the District and that people do not seem to have any regard for road nameplate signage. The Councillor felt that the damaged signage was a liability and that if a review was being undertaken it should consider all road name signage in the District.

Councillor McFlynn referred to Dual Language signage erected in the Loup area in which a number of nameplates have since been defaced or removed. The Councillor stated that the signage had been erected in rural areas and that emergency services rely on this signage.

Councillor Cuthbertson advised that he had previously forwarded detail of a number of broken road name signs to the Director of Environment and Property.

Councillor McNamee stated he understood what Councillor Burton was asking for and that it was a bigger piece of work but that he wanted statistics in relation to damage to Dual Language signage in order to forward to Police.

Councillor Burton stated that road name signs are vital in rural areas and emergency services depend on same. Councillor Burton proposed that if a report was being brought back detailing the damage and location of signage it needed to include all signage not just Dual Language exclusively.

Councillor Cuthbertson seconded Councillor Burton's proposal.

Councillor McNamee proposed a report be brought back to Committee detailing the number of Dual Language signs damaged and where located.

Councillor McGinley seconded Councillor McNamee's proposal.

Councillor Burton stated she did not understand why Dual Language signage was more important.

Councillor B McGuigan stated that a number of road name signs are often damaged through poor driving etc but that Dual Language signage was being deliberately damaged because of its nature.

The Director of Environment and Property stated that a review could be undertaken in two stages with a report on damage to Dual Language being brought back first and a report detailing all road name signage at a later date.

In response to comment from Councillor McFlynn the Director of Environment and Property advised that operatives pick up damaged signage when out strimming/cutting grass.

- Resolved** That it be recommended to Council –
- 1 That a report be brought back to the Environment Committee detailing the number of Dual Language signs damaged, the type of sign (gateway, road, street) being damaged and detail of hotspots where signs are being repeatedly damaged.
 - 2 That a report be brought back to the Environment Committee detailing the location and number of road name signs damaged across the District

E119/19 Street Naming and Property Numbering

The Head of Building Control presented previously circulated report regarding the naming of new residential housing developments within Mid Ulster.

Site off Aghareany Road, Donaghmore

Proposed by Councillor Burton
Seconded by Councillor Graham and

Resolved That it be recommended to Council to name development off Aghareany Road, Donaghmore as Aghareany Court.

Site off Ballyronan Road, Magherafelt

Proposed by Councillor Totten
Seconded by Councillor McFlynn and

Resolved That it be recommended to Council to name development off Ballyronan Road, Magherafelt as Ronan Valley Business Park.

Site off Main Street, Castlecaulfield

Proposed by Councillor McGinley
Seconded by Councillor S McGuigan and

Resolved That it be recommended to Council to name development off Main Street, Castlecaulfield as Old Forge Lane.

Site off Aghareany Road, Donaghmore

Proposed by Councillor McGinley
Seconded by Councillor S McGuigan and

Resolved That it be recommended to Council to name development off Aghareany Road, Donaghmore as Larden Meadow.

E120/19 Service Level Agreement for provision of Structural Engineering Services

The Head of Building Control presented previously circulated report which sought approval to sign a Service Level Agreement between Mid Ulster District Council and Fermanagh and Omagh District Council for the provision of specialist structural engineering services for the Mid Ulster Building Control Service.

Proposed by Councillor McFlynn
Seconded by Councillor McAleer and

Resolved That it be recommended to Council to approve the signing of the Service Level Agreement between Mid Ulster District Council and Fermanagh and Omagh District Council for the provision of specialist

structural engineering services for the Mid Ulster Building Control Service.

E121/19 Regulatory Information and Management System (RIAMS)

The Principal Environmental Health Officer presented previously circulated report which sought approval to continue with the Regulatory Information and Management System for the Environmental Health Service for Mid Ulster District Council for a further three year period through RH Environmental Ltd.

Councillor S McGuigan asked if anyone else provides this type of software.

The Director of Public Health an Infrastructure advised that this was a specialised piece of software to assist the professional officer team.

Proposed by Councillor McFlynn
Seconded by Councillor Burton and

Resolved That it be recommended to Council to approve the signing of licence agreements with RH Environmental for three years at £5,610 for the first year.

E122/19 The Roads Miscellaneous Provisions Act (NI) 2010

The Principal Environmental Health Officer presented previously circulated report which sought determination on four applications for Road Closure Orders in connection with special events that are being held in July 2019.

Councillor Cuthbertson asked who was responsible for ensuring groups follow procedure in relation to traffic management.

The Principal Environmental Health Officer advised that the applicant has to prove they have a traffic management company in place on their application. The officer advised that Council have no legal remit to ensure procedure is followed.

Councillor Cuthbertson asked if a group did not follow procedure this year whether Council have any grounds to refuse an application next year.

The Principal Environmental Health Officer advised that if a group do not follow procedure and then make a further application their previous conduct would be taken into consideration.

Councillor S McGuigan asked if this Council was one of the few adhering to this legislation as he had been advised that other Councils do not. The Councillor asked if this Council was putting groups through something which was not necessary, and at a cost, as the type of events being arranged are mainly for the community or a charity. Councillor S McGuigan advised that there are groups that have gone through the process and those that have not and that insurances are accepted for both.

The Director of Public Health and Infrastructure advised that he could not answer for other Councils and that the legislation was foisted upon Council who had no option to make any changes to it.

Councillor S McGuigan stated that the situation needed to be reviewed as Members are receiving negative feedback in relation to the application of the legislation.

The Director of Public Health and Infrastructure stated a working group could be set up to which stakeholders ie. Police and DFI Roads could be invited. The working group could review how the legislation is currently being applied along with any potential for a change to Council's remit with a report being brought back to the Environment Committee.

Councillor S McGuigan proposed that a working group be set up to review the application of The Roads Miscellaneous Provisions Act (NI) 2010.

Councillor Wilson stated that whilst he recognised that officers have been very helpful to groups with completion of application forms he would support Councillor S McGuigan's comments that there seemed to be a difference across the Council areas in interpreting this legislation and it was important to have a review involving all stakeholders to the process.

Councillor McAleer felt that it was because Stormont was not functioning that there was nowhere to take this legislation back to have it amended.

Councillor S McGuigan stated he understood how the legislation came about but the difficulty seemed to be in its interpretation across Councils.

The Principal Environmental Health Officer stated she sat on the SOLACE working group and could confirm that other Councils were administering the legislation however there may be differences across the areas in how it is being policed.

Councillor Wilson seconded Councillor S McGuigan's proposal.

- Resolved** That it be recommended to Council –
- 1 That each Road Closure Order outlined in Sections 3.2 to 3.5 of the report be made in line with Dfl guidance, subject to applicants providing any outstanding documentation; no objections being received during the consultation process and Dfl consent being granted.
 - 2 To set up a working group to review the application of The Roads Miscellaneous Provisions Act (NI) 2010 with a report being brought back to the Environment Committee.

Matters for Information

E123/19 Minutes of Environment Committee held on 1 April 2019

Members noted minutes of Environment Committee held on 1 April 2019.

Councillor McNamee referred to previous discussion in which a contractor carried out works on behalf of NI Water in Cookstown and left some footpaths in a substandard state, the Councillor advised that a number of people have tripped as a result of the way the footpaths have been left. Councillor McNamee stated that the matter has been raised with the contractor but that the remedial works remain outstanding.

The Director of Public Health and Infrastructure stated that officers were aware of the issue and advised that the contractor started the works when Council still held the licence for Public Realm work, as this licence had now been handed back to DfI Roads the Director agreed to raise the matter formally with DfI Roads who now have the legal responsibility.

Councillor Burton referred to previous discussion at Environment Committee on 12 March 2019 in relation to need for footpath at Eglish and other locations and Council's general power of competence. The Councillor stated that there was supposed to be a follow up in relation to these discussions and she asked that this happen as some had been in the process for a long time.

The Director of Environment and Property advised that a meeting had been organised with DfI Roads for this Friday to discuss footpaths in Eglish and Maghera specifically and that Members had been advised of this meeting. In relation to general power of competence, the Director advised that arrangements were being put in place to organise a workshop for Members in the next week to ten days.

E124/19 Northern Ireland Local Authority Collected Municipal Waste Management (LACMW) Report for October to December 2018

Members noted previously circulated report which provided update on Council performance in relation to recycling and landfill diversion targets as outlined in the NIEA Northern Ireland Local Authority Waste Management Statistics Report for Quarter 3 of 2018/19, October to December 2018.

Councillor McGinley commended staff and residents on Council again maintaining the highest household waste recycling rate, the Councillor stated that everyone needs to keep pushing in order to improve further.

Councillor Burton felt that the recycling officers that go out to schools provide a vital role and that the students often help to bring the message home to parents/grandparents. The Councillor also referred to the Eco Speak competition in which students put a lot of effort into their ideas.

Councillor McGinley stated he had been at the Eco Speak competition before and that it would be useful for the topics being discussed and presentations made by students to be circulated to Members as there are many good ideas being brought forward.
