

MID ULSTER DISTRICT COUNCIL LOCAL DEVELOPMENT PLAN REVISED TIMETABLE

1.0 Introduction

- 1.1 This revised timetable sets out Mid Ulster Council's program for the production of its local development plan (LDP) and includes details of the key stages in the process. The timetable will help ensure that the plan process is efficiently managed and that the key stakeholders such as the consultation bodies and the Planning Appeals Commission (PAC) are kept informed and can manage their own resources to facilitate their involvement in the LDP process. In relation to public consultation this timetable should be read alongside the Mid Ulster Statement of Community Involvement.
- 1.2 Under **Section 7** of the **Planning (Northern Ireland) Act 2011** a council has a duty to prepare, and keep under review, a timetable for the preparation and adoption of the local development plan. Sections 8(4)(a) and 9(4)(a) require both the Plan Strategy and Local Policies Plan to be prepared in accordance with the timetable.
- 1.3 **Regulations 5 to 8 of the Planning (Local Development Plan) Regulations (Northern Ireland) 2015** (LDP Regulations) sets out the requirements for the preparation, form and content, agreement and availability of the timetable.

2.0 Purpose and Status of the Local Development Plan

- 2.1 The purpose of the Mid Ulster Council Local Development Plan, comprising the Plan Strategy and Local Policies, is to inform the general public, statutory authorities, developers and other interested bodies of the policy framework and land use proposals that will implement the strategic objectives of the Regional Development Strategy and guide development decisions within Mid Ulster District Council up to 2030.
- 2.2 The preparation of the LDP will take account of the Council's Corporate Plan and Community Plan so that there is a shared vision for the council area and communities and it will set out the long term social, economic and environmental objectives for the district. The LDP will also take account of regional policy context set by the Northern Ireland Executive and Central Government Departments. This includes, amongst others, the Sustainable Development Strategy, the Regional Development Strategy, the Strategic Planning Policy Statement and Planning Policy Statements.
- 2.3 The Mid Ulster Local Development Plan will replace the Cookstown Area Plan 2010, Dungannon and South Tyrone Area Plan 2010 and the Magherafelt Area Plan 2015. The Plan will be produced in two stages consisting of two separate documents which will shape development within our district in the period to 2030. The first stage will be a Plan Strategy followed by Local Policies Plan.
- 2.4 Prior to the preparation of the Plan Strategy and Local Policies Plan the Council will identify the key issues in the plan area and will formulate a series of options for dealing with them. This information will be published as a Preferred Options Paper which will indicate a Council's preferred options for

growth and development in their area and will be the basis for consulting with the public and stakeholders who will have an opportunity to put forward views and influence the local development plan from the outset.

- 2.5 The Plan Strategy will establish the strategic direction of the plan in order to provide a level of certainty on which to base key development decisions in the area as well as the necessary framework for the preparation of the local policies plan. The Strategy will set the aims, objectives, overall growth strategy and associated subject policies applicable to the Plan Area.
- 2.6 The Local Policies Plan (LPP) will be consistent with the plan strategy. In contrast to the Plan Strategy the LPP will deal with site specific policies and proposals associated with settlement limits, land use zonings and environmental designations required to deliver the council's vision, objectives and strategic policies. Prior to the publication of the Local Policies Plan (LPP) the Council will publish a Local Policies Plan 'Key Issues' Paper identifying the key issues in the area and will provide the public with the opportunity to comment them to inform the preparation of the LPP. The document will outline key issues such as settlement limits, location of housing and economic development land within the towns, town centre boundaries etc. and invite comments on them
- 2.7 A Sustainability Appraisal (incorporating Strategic Environmental Assessment) of the Local Development Plan will run in parallel with the preparation of various stages of the plan and will be an ongoing process. The purpose of the Sustainability Appraisal is to promote sustainable development through the integration of social, environmental and economic considerations into the preparation of the Local Development Plan. Reports from the various stages of the Sustainability Appraisal will be published at the key stages of the plan preparation as detailed in the Timetable at Appendix 1.

3.0 Timetable of Actions

- 3.1 The Mid Ulster Local Development Plan revised Timetable is set out at Appendix 1. In accordance with Regulation 6 of the Planning (Local Development Plan) Regulations (Northern Ireland) 2015 the Timetable contains indicative dates for the various stages of the plan preparation process.
- 3.2 The timetable details the various actions at the key stages of the preparation of the Plan. The timetable also includes those actions that also relate to the Sustainability Assessment and other assessments that are required to be carried out in the preparation of the plan including a Strategic Environmental Assessment, Habitats Regulations Assessment and Equality Impact Assessment.
- 3.3 In accordance with **Regulation 5 of the Planning (Local Development Plan) Regulations (Northern Ireland) 2015**, in preparing the timetable, consultation has been undertaken with the Planning Appeals Commission (PAC) and those consultation bodies represented on Local Development Plan Multi-Disciplinary Steering Group.

- 3.4 There are a number of factors that may impact on the delivery of the Local Development Plan within the indicative timescales indicated. Annual monitoring of the plan will take place and a report will be produced to inform Members and the Department on progress in meeting the timetable and on the land availability for housing and employment. In the event that progress is not in line with the timetable the Council has the power under the Planning Act 2011 to publish a revised timetable.
