

Appendix 1 –List of Grounds Maintenance Priority Settlements (as per Grounds Maintenance Delivery Standards Outcomes)

Council will aspire to maintain roadside grass verges (approx. one swathe width) within towns and village 30mph limits where these are within the confines of the public road and with a population greater than 300 people based on Census data, subject to availability of resources.

Council will seek to maintain prominent gateways on aerial routes to and from the five largest towns in the district based on population size (i.e. Dungannon, Coalisland, Cookstown, Magherafelt and Maghera). It will endeavour to prioritise the general grounds maintenance standards and provision in these areas were practically possible.
