## **Street Naming and Property Numbering Policy for New Developments (Article 11 of The Local Government (Miscellaneous Provisions) (NI) Order 1995)**

### **Revised Policy and Procedure**

#### **7.0 RENAMING AND RENUMBERING EXISTING STREETS**

7.1 Provision shall be made for the renaming and renumbering of existing Streets within the Mid Ulster District Council area, where instances as noted in 7.2 below require that that this be undertaken to maintain a consistent approach to street naming. The 1995 Order empowers Council to authorise Street names within the area they administer.

#### **7.2 Criteria - General**

The renaming or renumbering of an existing street shall normally only be considered;

- To remove similar or the same street name in the immediate locality
- Where a street name has been 'lost'
- To correct an incorrectly spelt name
- If emergency services have reported problems in identifying and locating the street
- If postal services or other statutory agencies has reported problems in identifying and locating the street
- Where a request has been received by the Council and signed by not less than 50% of the occupiers of a street to which a change is being sought. This would be based on 1 occupier per premises on the relevant street.

#### **Renaming Existing Street Name: Procedure**

This procedure provides guidelines for the procedure for renaming of existing street/road names which the 1995 Order empowers councils to authorise. The following procedure for canvassing the views of occupiers and the criteria to be applied in deciding whether to rename a street with an alternative in English shall be:

1. Upon receipt of a petition, signed by not less than 50% of the householders (based on one resident per household over the age of 18) of the street/road ("a

Petition”) the Council will consider a survey of the street/road in relation to the desired name change and reason for same .

2. The proposed name must meet the criteria set down in the policy for the naming of New Streets.
3. If the Department considers the new name meets the criteria, approval to undertake the survey will be sought from the Environment Committee.
4. The Council will survey, by post, the occupier of each of the properties listed on the Electoral Register and the Pointer Data address system of that street/road or the part of a street/road affected at that time ; seeking their views on the request to change the name. The survey shall be carried out by the Council’s Building Control service.
5. Replies will be by way of a supplied self-addressed envelope and must be returned by the date specified in the correspondence giving notification of the survey and reason for same. Only replies received from registered occupiers by that date will be considered.
6. The outcome of the survey will be presented to the Environment Committee and only where all occupiers (100 %) in the affected street agree with the proposed name change, will a recommendation be presented to approve the change.
7. Where a request is not approved any further request will not be considered until the expiry of a 12 month period from the date of the Environment Committee meeting where the outcome of the survey was considered.
8. Where a Petition to have an existing street renamed is not approved then the occupiers will be notified of this.
9. Where a new nameplate is erected. The decision to remove an existing nameplate will be made by Property Services, where deemed necessary to do so.
10. Historical nameplates may remain in place where they are fitted to an existing wall (or dwelling), where they will not affect directional issues. This shall be at the discretion of Property Services.
11. Where the Department receives a request from the emergency services, mail delivery services or other statutory bodies who have difficulty locating the street to rename it. They shall inform residents as noted above and consider to survey and rename the street upon the agreement of all households on that street. Such requests shall be notified to and approval sought from Environment Committee and outcome of survey reported to same.
