Notices on Motion

15 Consideration of Motions

15.1 Councillor Cuthbertson to move:

Mid Ulster District Council calls on Transport NI to install CCTV Cameras at all Park and Ride Facilities across the District. These include facilities at Tamnamore, Ballygawley, Castledawson Roundabout and Craigadick, Maghera. Following recent antisocial behaviour, including theft at these facilities and in particular those at Tamnamore and Castledawson Roundabout, the Council also calls for these areas to be designated as no alcohol zones.

15.2 Councillor McFlynn to move.

That this council recognises the dangers posed to the public and to the environment by the illegal burning of tyres at bonfires and similar; strongly opposes this activity; and calls on statutory agencies, landowners, the PSNI, and the fire and rescue service to work with this council, in a co-ordinated multi-agency approach to bring this harmful and irresponsible activity to an end.
