### Note 1: Role of the Annual Meeting

Schedule 1 of the Local Government Act 2014 confirms the role of the annual meeting. It confirms that each party nominating officer should select a position of responsibility and term for which it may be held. Where the nominating officer selects the term beginning with the date of the meeting (the annual meeting) the nominating officer must also nominate the person to hold the selected position of responsibility, who stood in the name of the nominating officer's party when elected. At subsequent annual meetings (i.e. for 2020-21, 2021-22 and 2022-2023) each nominating officer must select members for the next term for each position selected at the first annual meeting.

### Note 2 : Housing Council for NI

Schedule 2 of the Housing (Northern Ireland) Order 1981 confirms that the Housing Council shall consist of the chairman of each district council. Schedule 2 to the legislation also indicates that a district council may at any time appoint one of its members as a member of the Housing Council in place of the council chairman as referred to.

### Note 3: Policing & Community Safety Partnership (PCSP)

Schedule 1 to the Justice Act provides that a council, in exercising its power to appoint political members to PCSPs, shall ensure, so far as is practicable, that the political members reflect the balance of parties prevailing among members of the council immediately after the last local election.

Applying the default method for *Filling Positions of Responsibility* (d'Hondt) to calculate the balance of the parties after the 2019 local election the party allocation, based on 10 elected members being represented on the Partnership, is:

SF	5
DUP	3
SDLP	1
UUP	1
