Dear sir/madam,

I wish to request new Road Signage in both Irish and English on our road 'Fallalea Lane'. I am an Irish speaker as are my 6 children. The signs on our road are very old and the one on the Ranaghan Road end is completely illegible. We take great pride in our local area, collecting litter regularly and feel it is our right to have appropriate signage on both entrances to the road.

Yours faithfully

I am a resident on Upperlands Road in Swatragh. I would like to request that the road has a dual language sign with Irish on it.

I have been advised that one can be requested from someone who lives on the road and is on the electoral register.

There have been dual language signs erected on other roads in the village but my road has been missed. I have also noticed that our road sign has been damaged. I have enclosed pictures of both our damaged road sign and the others nearby that have been updated.

I hope you can see to updating the Upperlands Road sign to a dual language sign.

Thank you!

Kind regards,

A chairde,

I am writing to request a survey be done on my street to gauge the acceptability of having dual language signage, Irish and English.

Out of the seven families' resident in our street, two of us send our children to the local gaelscoil in Dungannon.

I think it would be nice for the children to see real world examples of the Irish language in use.

I appreciate you taking the time to consider my request
