Dear Mr McCreesh

TRAFFIC CALMING PROPOSALS FOR BRIDGE STREET CASTLEDAWSON

Following a number of representations regarding vehicle speeds on Bridge Street Castledawson, DFI Roads carried out a traffic calming assessment and are proposing to introduce traffic calming measures within the 2023/24 financial year.

I would be most grateful if you could bring this letter and attached scheme layout drawing to the attention of the elected representatives for this area and your technical services team for due consideration.

If you wish to comment on this proposal, you can do so by writing to me at the above at the address.

If you have any questions, please do not hesitate to contact me for further information.

Yours sincerely
