Dear Mr Tohill

PROPOSED PART TIME 20MPH AT SCHOOL

DfI Roads is proposing to provide part time 20mph speed limits at the following schools, as shown on the enclosed map:-

Orritor Primary School, Cookstown
Crossroads Primary School, Kilrea
Ampertaine Primary, Upperlands
Saint Trea's Primary, Ballyronan
Saint Eoghan's Primary School, Draperstown
Saint Brigids Primary School, Mayogall
Edendork Primary School Dungannon
Aughnacloy College and Aughnacloy Regional Primary School

The existing school signs will be replaced with new signs to warn of the presence of the school and the part time speed limit. The speed limit will only be operational when the lights flash and these times will be strictly controlled to coincide with peak activity at the school.

PSNI have been consulted and are in agreement with the proposals.

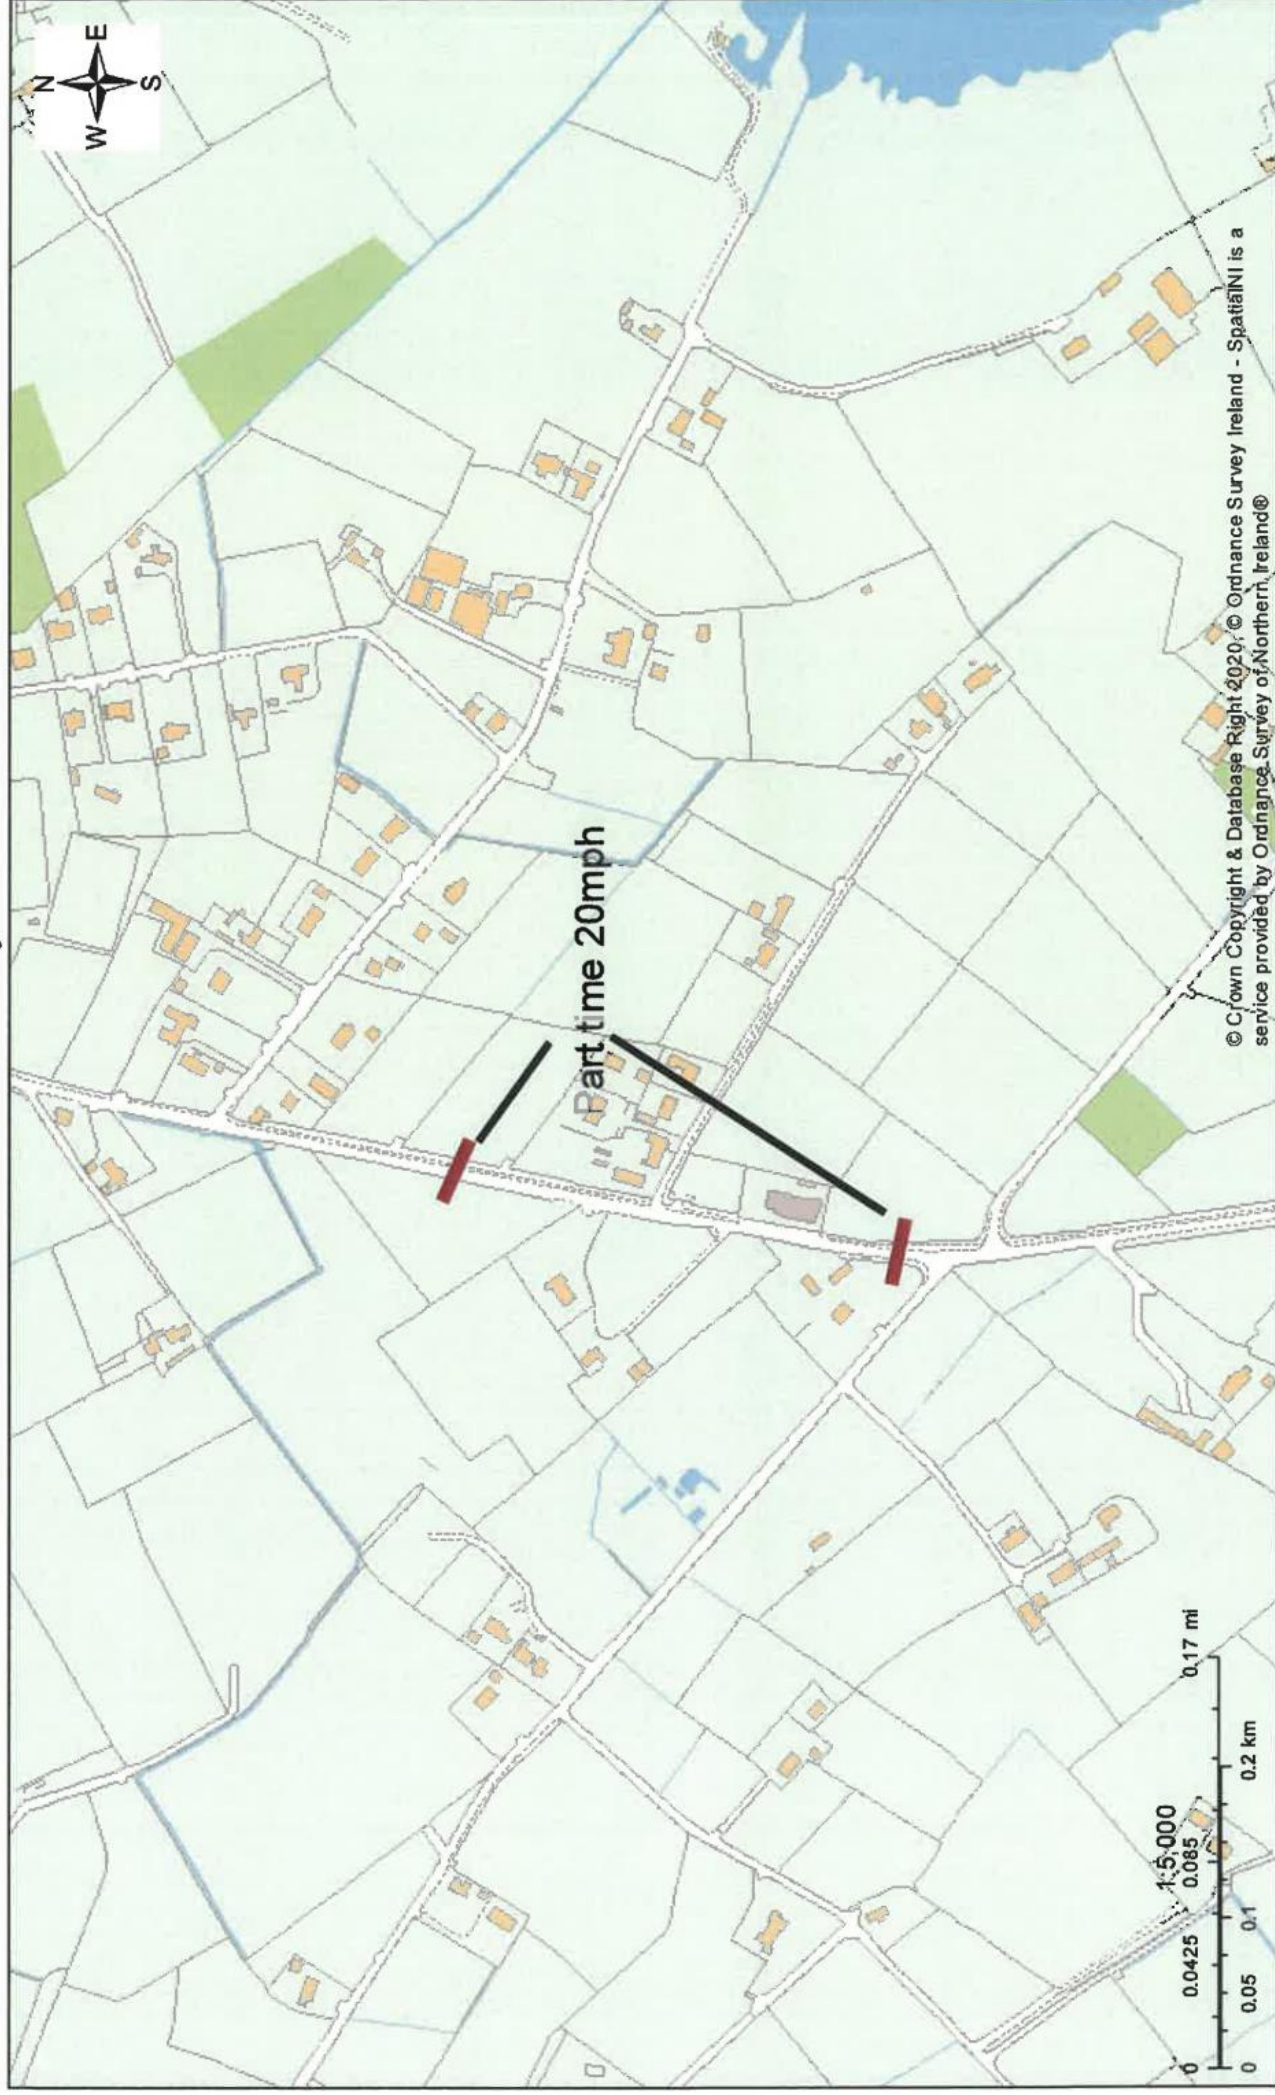

Please bring this matter to the attention of your council.

Yours sincerely

Mrs Hazel Burton
Network Development Section
