- To facilitate Mid Ulster District Council in meeting its statutory obligations with regard to local government Street Naming requirements
- To confirm the mechanism and process by which Mid Ulster District Council will name new streets and housing developments
- To provide residents with a process whereby they may request the renaming of their street

3.0 **Policy Scope and Legislative Framework**

3.1 This policy relates specifically to the naming of New Streets/ Housing Developments and processing requests for the erection of nameplates expressing the name of the street in a language other than English. The statutory basis for this policy is contained within Article 11 of the 1995 Order.

- 3.2 This legislation empowers Council to authorise the naming of streets within its respective District. The 1995 Order provides for street naming, street numbering and the provision of street signs. It also provides the Council with a discretionary power to erect dual language street signs or second nameplates in a language other than English via Section 1a and 1b. A copy of the relevant statute is included in Appendix A.

Interpretation and Definitions

- 3.3 For purposes of this Policy the following interpretation/ definitions apply as set out within the 1995 Order:

- Nameplate - defined as a means of 'signifying a name in writing'
- Street - defined as 'any road, square, court, alley, passage or lane'.

4.0 Linkage to Corporate Plan

- 4.1 Referring to Mid Ulster District Council's Corporate Plan 2015-2019, this policy contributes toward the delivery of Corporate Theme 1 *Delivering for Our People*.

5.0 Naming of New Streets

- 5.1 Proposals for new Street names linked to traditional place names will be favorably considered and that if such a place name is traditionally in a language other than English, that name may also be considered as the name by which that place may be known. The procedure that will apply in relation to proposal under this [policy] is contained in Appendix [B]. Building names are not controlled by statute and do not form part of this Policy.
- 5.2 Criteria - General

To maintain the heritage and identity of the area administered by Mid Ulster District Council in naming a new Street and/ or Housing Development the following criteria shall be adhered to. The name chosen shall;

1. Reflect the local townland name, or a local geographical/ topographical, social or historical feature.
2. The name shall not use the townland name within which the street and/ or the housing development is situated. The townland name shall still form part of the postal address.

3. The name should not mark any historical or political event or any individual or family, living or deceased.
4. The prefix of the name can only be the same as an existing Street or Road name prefix in the locality if it is accessed from that street or road.
5. To avoid confusion over addresses the name should not sound similar to an existing Street or Road name in that District Electoral Area.
6. The erected nameplate shall express the name in English; and may express that name in any other language other than English in accordance with Article 11 of the 1995 Order.
7. Although not prescriptive or exhaustive the running order/hierarchy for Street naming should follow an easily understood pattern, for example:
 - Road–Street–Avenue–Mews–Drive–Lane–Close–Alley

6.1 Provision shall be made for the renaming and renumbering of existing Streets within the Mid Ulster District Council area, where instances as noted in 7.2 below require that that this be undertaken to maintain a consistent approach to street naming. The 1995 Order empowers Council to authorise Street names within the area they administer. The procedure that will apply in relation to a proposal under this policy is contained in Appendix C.

Naming of New Streets and Housing Developments: *Procedure*

1. Developers should submit an application for a new Street/ Development naming to the Council's Building Control service within the Public Health and Infrastructure Department ("the Department") before any promotional activity on the sale of properties commences.
2. The applicant should recommend at least 2 but no more than 3 names per street for consideration, outlining how they consider the proposed names comply with the criteria referred to within Section 5.2 above. To ensure compliance, applicants should consider contacting local historical/community groups where available, which may be beneficial on receiving advice on names which would be relevant for proposed names of a new road/street in the locality.
3. If the Department determines that the name(s) does not conform to the criteria within 5.2 of this Policy, the developer/applicant will be informed of this and asked to submit an alternative name(s) and/or written representations as to why they disagree. When the Council receives an alternative name(s) and the Council Officer deems that it meets the criteria then it will be recommended to the Council's Environment Committee for consideration.
4. If the developer/applicant is not in agreement with the Department's evaluation they can make written representations which will be considered at the next available meeting of the Environment Committee.
5. The developer/ applicant will be informed of the approved name following approval of the Environment Committee minutes at the next available Council meeting of Mid Ulster District Council
6. Should the Committee not accept any of the presented options the applicant/ developer will be informed of the Council's decision
7. If following the non-acceptance of a proposed name the applicant/ developer does not resubmit an alternative name to the Council within 8 weeks of the date of the decision letter, the Council may identify a name and notify the applicant/ developer of their intention to approve that name. The Council shall allow four weeks to elapse from the date of the notification of the name before presenting it to the next available Environment Committee
8. If a street name has been approved by the Council it shall not be considered for change within 6 months from the date of approval, unless in accordance with the Council's Standing Orders.
9. Names shall be shown on nameplates which will include the townland where relevant and erected in line with current Guidance.
10. New buildings will be allocated numbers consecutively with odd numbers to the right hand side and even numbers to the left hand side.

Appendix C

Renaming Existing Street Name: Procedures

This procedure provides guidelines for the procedure for renaming of existing street/road names which the 1995 Order empowers councils to authorise. The following procedure for canvassing the views of occupiers and the criteria to be applied in deciding whether to rename a street with an alternative in English shall be:

1. Upon receipt of a petition, signed by not less than 50% of the householders (based on one resident per household over the age of 18) of the street/road (“a Petition”) the Council will consider a survey of the street/road in relation to the desired name change and reason for same.
2. The proposed name must meet the criteria set down in this policy for the naming of New Streets, as detailed within 5.2 of this policy.
3. If the Department considers the new name meets the criteria, approval to undertake the survey will be sought from the Environment Committee.
4. The Council will survey, by post, to the occupier(s) of each of the properties listed on the Electoral Register and one survey per established business as appears on the Non-Domestic Valuation List of that street/road or the part of a street/road affected at that time; seeking their views on the request to change the name. The survey shall be carried out by the Council’s Building Control service.
5. Residents of the existing street being surveyed to be made aware at time of survey of issues which will arise if the street is successfully renamed.
6. Replies will be by way of a supplied self-addressed envelope and must be returned by the date specified in the correspondence giving notification of the survey and reason for same . Only replies received from registered occupiers by that date will be considered
7. The outcome of the survey will be presented to the Environment Committee and only where all occupiers (100 %) in the affected street agree with the proposed name change, will a recommendation be presented to approve the change.
8. Where a request is not approved any further request will not be considered until the expiry of a 12 month period from the date of the Environment Committee meeting where the outcome of the survey was considered.
9. Where a Petition to have an existing street renamed is not approved then the occupiers will be notified of this.

10. Where a new nameplate is erected. The decision to remove an existing nameplate will be made by Property Services, where deemed necessary to do so.
11. Historical nameplates may remain in place where they are fitted to an existing wall (or dwelling), where they will not affect directional issues. This shall be at the discretion of Property Services.
12. Where the Department receives a request from the emergency services, mail delivery services or other statutory bodies who have difficulty locating the street to rename it. They shall inform residents as noted above and consider to survey and rename the street upon the agreement of all households on that street. Such requests shall be notified to and approval sought from Environment Committee and outcome of survey reported to same.
