#### Notice of Motions

- 14 Councillor Kerr to move -  
This Council recognises the current cost of living crisis facing our community with health workers, including nurses, now taking industrial action. This Council commits to continuing its engagement with local workers and trade union representatives on their concerns.
- 15 Councillor Mallaghan to move -  
This Council is deeply concerned that the £600 energy support payment due to people across the North of Ireland who are enduring severe cost-of-living pressures has not yet been made, despite DUP assurances it would be paid in November.  
Notes that as a result of the DUP boycott of power-sharing, responsibility for delivering this payment rests with the British government.  
Is further concerned that as temperatures drop and winter deepens many families struggling to pay soaring energy bills will have budgeted for this payment being made before Christmas as promised.  
And therefore calls on the British government to urgently provide clarity on the delivery of the payments, it is well past time that these were delivered with no more broken promises.

**Items restricted in accordance with Section 42, Part 1 of Schedule 6 of the Local Government Act (NI) 2014. The public will be asked to withdraw from the meeting at this point.**
