Dear Sir/Madam,

**Re: A6 Toome By-Pass - Stopping-Up of Private Access  
PROPOSED STOPPING-UP ORDER**

DFI Roads proposes to carry out a stopping-up of roadway at the aforementioned location under Article 68(1) of the Roads (Northern Ireland) Order 1993.

I enclose one map showing the area to be considered for stopping-up.

I should be obliged if you would notify me of any comments you may wish to make on this proposal.

You may wish to note that an order made under paragraph (1) may –

- a) provide for the retention or removal of any cables, wires, mains, pipes or other apparatus placed along, across, over or under the stopped-up road:  
and,
- b) provide for the extinction, modification or preservation of any rights as to the use or maintenance of such cables, wires, pipes or apparatus:

I would appreciate a response by 4<sup>th</sup> March 2021.

Yours sincerely

Sarah Crawford
