

Procedural Guide on the Provision of Bus Shelters

1.0 Bus Shelters – Mid Ulster District Council

Council is empowered under the Local Government Miscellaneous Provisions (NI) Order 1985, with the consent of the Department for Infrastructure (DfI) to erect and maintain on any road within the district of the council, shelters for the protection from the weather or persons waiting to enter public service vehicles. Bus shelters are erected following local representations. They are provided, particularly for those who have to use public services who may have to stand out in the inclement weather.

1.1 PROCEDURAL STATEMENT

Council will erect a bus shelter where there is shown to be a need, providing the location does not present a safety or nuisance problem and adequate funding is available. Relocation of bus shelters should only take place as a result of either road alignment or the bus companies relocating their bus stops. All other cases of relocation should be resisted as long as there is an identified need for the shelter. Any relocation as a result of retail business / property owner request will only be considered if an alternative suitable location (distance restrictions will be considered) can be accommodated AND the retail business / property owner covers all associated costs for relocated shelter.

If there is any reported anti-social behaviour over a 12 month period at the location of a new/existing shelter the shelter location will be reviewed by Council with an option to remove the shelter and make good the existing surfaces.

1.2 CRITERIA FOR THE ERECTION OF A BUS SHELTER

1. Usage must be a minimum of 6 passengers over a period of a day and applications will be considered on a first come, first served basis, with Translink NI / Education Authority confirming this information. Less than 6 passengers will only be considered by a Council/DEA approval process.
2. The location must be at a recognised bus stop.
3. Following validation, the Council will canvass, by post, all property addresses within 50m frontage to the bus stop (25m either side) on the erection of the shelter, including the type of shelter.
4. At least 51% of the addresses surveyed must have no objections to the shelter.

NOTE - for the purposes of assessment where 51% (rounded to the nearest whole number) of property addresses that respond indicate that they are not in favour of the erection of a shelter, then the results of the survey will be forwarded to the Environment Committee for information confirming that the shelter will not be approved or erected.)

Appendix 1

5. There should be no Department for Infrastructure Roads objections on traffic grounds.
6. There must be sufficient budgetary provision available to provide the bus shelter.
7. All Survey results that do not meet the essential criteria to be reported to Council for consideration.
8. Once refused a request may not be considered for a further 12 month period from the original decision by Council.
9. Form TS/BSRF/01 to be completed and signed off by Head of Service.
10. Bus Shelter request to be approved by Environment Committee.

1.3 DESIGN OF BUS SHELTER

The Council endeavour to provide good quality, comfortable bus shelters purchased through the Procurement Department. Where appropriate they will endeavour to have bus shelters erected free of charge, other than services by Adshel.

1. All shelters within 30mph speed limits will have shelter in accordance with **Example A**, (as below).
2. All shelters outside 30mph speed limits will have shelter in accordance with **Example B**, (as below).

Council will consider in conservation areas the erection of shelters above this standard, but the cost of such shelters excluding erection and servicing costs shall not exceed £3000.00.

Example A, within
30mph speed limits,
Glazed shelter.

Example B, outside
30mph speed limits,
painted metal shelter.

1.4 REPLACEMENT OF BUS SHELTERS

Any defective shelters that require replacement as part of their life span to be replaced using location criteria and shelter design Examples A or B as noted above as part of the maintenance of the Council Estate .

1.5 PROVISION OF BUS SHELTERS – PROCESS

Stage 1: Send application form to person requesting Erection of Shelter.

Stage 2: Acknowledge receipt of request (in writing) – standard letter sent.

Stage 3: Carry out preliminary visit to investigate suitability of site.

Stage 4: Contact Translink / SELB / Private approved Coach Companies to confirm viability of erecting bus shelter i.e. recognised "Bus Stop", number and age of children, bus routes etc. 1st organisation to respond with numbers meeting the criteria i.e. 6 or more then proceed to next stage.

Dear Sir/Madam,

Re: Application for Provision of Bus Shelter at [Enter Location]

Mid Ulster District Council have received an application to erect a bus shelter at the above location and as noted in attached map (see Appendix 1).

The Council's Procedural Guide on the Provision of Bus Shelters outlines that validated applications are subject to neighbour notification. Those who meet the following criteria are eligible to register their preference on this matter:

- All property addresses within 50m frontage to the bus stop (25m either side) on the erection of the shelter, including the type of shelter

Our records indicate that this address is within 50m criteria and therefore subject to neighbour notification.

If approved Council would install Bus Shelter type **[Enter Bus Shelter Example A or B]** as detailed in Appendix 2.

On completion of this survey Council will provide a determination on this request on the basis of the majority preference as submitted. For approval to be considered, at least 51% (majority) of respondents must be in favour of the proposal.

Please read carefully the statements on the survey form attached. Tick your preferred option in the appropriate box, print your name and address and sign the document. The completed survey form(s) should be returned to this office by either:

- a. returning in Self Addressed Envelope provided, or
- b. emailing to Technicalservices@midulstercouncil.org

Forms received after **[Enter Day and Date]** will not be considered.

Thank you for your time completing this survey.

If you have any queries on the above, please contact (Officer Name) in the Cookstown Office by email at (,,,,,,,) or by telephone on 03000 132 132 Ext: 24400.

Yours faithfully,
