

<b>Report on</b>	CCTV for Park N Rides
<b>Reporting Officer</b>	Claire Linney
<b>Contact Officer</b>	Michael McCrory

<b>Is this report restricted for confidential business?</b>	Yes	
If 'Yes', confirm below the exempt information category relied upon	No	X

<b>1.0</b>	<b>Purpose of Report</b>
1.1	To seek approval for the acceptance of £60,000 funding from the Department for Infrastructure to fund procurement through Council of CCTV for up to four park n rides in Mid Ulster District.
<b>2.0</b>	<b>Background</b>
2.1	There has been an increase in crime in park n rides across the District. The four park n rides with the main issues recorded are Craigadick Maghera, the new park n ride at Castledawson roundabout, Tamnamore Dungannon, and Ballygawley.
2.2	As a recommendation from the PCSP, the PCSP Manager, Michael McCrory, and Inspector Andy Archibald PSNI met with representatives from the Dept for Infrastructure to seek to increase the security of the park n rides.
2.3	As a result of this meeting the Dept of Infrastructure has offered Council £60,000 to procure CCTV for the four park n rides.
<b>3.0</b>	<b>Main Report</b>
3.1	The funding would be used to procure CCTV to provide for four of the main park n rides in the District with the main issues/problems. This would be dependent on costs of installation.
3.2	Preferred option would be to connect footage back to the Council's main CCTV control room. If this is not possible due to infrastructure and distance then a local encrypted storage option will be considered, and based no additional revenue cost to Council.
3.3	If within cost, <i>automatic number plate recognition</i> (ANPR) would be specified for the cameras to record number plates for cars entering and leaving the car park. These records would only be accessed if a crime was committed and thus would not fall under the Regulation of Investigatory Powers Act (RIPA).

3.4	Adequate signage would be displayed on the CCTV poles to highlight the use of CCTV cameras and warn people not to leave valuables when parking.
3.5	The proposed provision of CCTV at the named sites and proposed acceptance of the funding from Dept for Infrastructure has been agreed through PCSP.
<b>4.0</b>	<b>Other Considerations</b>
<b>4.1</b>	<b><u>Financial &amp; Human Resources Implications</u></b>  Financial: To oversee the distribution of £60,000 from the Department for Infrastructure, through PCSP, for CCTV provision as proposed through Council procurement.  Human: None
<b>4.2</b>	<b><u>Equality and Good Relations Implications</u></b>  None
<b>4.3</b>	<b><u>Risk Management Implications</u></b>  None
<b>5.0</b>	<b>Recommendation(s)</b>
5.1	To approve acceptance of £60,000 funding from Dept for Infrastructure, through PCSP, for the provision of CCTV at 4 District Park n Ride locations. To link the monitoring to the existing Council provision (at no further revenue cost), pending infrastructure.
5.2	To approve procurement of CCTV for up to four park n rides to a maximum value of £60,000.
