<b>1.0</b>	<b>Purpose of Report</b>
1.1	To consider a recommendation that Greenvale Leisure Centre membership packages include the use of Maghera Leisure Centre.
<b>2.0</b>	<b>Background</b>
2.1	Development Committee previously agreed that the Greenvale Household Membership Package and GLC's Monthly Direct Debit Membership Package would not include use of Maghera Leisure Centre. This resulted from Pulse stopping to contribute to Council for including Maghera LC in the Greenvale LC Membership package.
2.2	Council subsequently introduced its own membership package for Maghera LC. Customers could take out a Single Membership package which entitled them to use the same facilities at Maghera LC only, as previously included in the GLC Household package. This was offered for sale at £20.00 per month and has proved very successful.
<b>3.0</b>	<b>Main Report</b>
3.1	Greenvale Leisure Centre came under Council management on the 10 <sup>th</sup> September 2017. Council officers are currently reviewing membership deals that are offered across Leisure in Mid Ulster. However as a large number of the Greenvale Household memberships are currently being renewed, a number of existing Greenvale and Maghera Leisure centre customers have complained about the Greenvale membership deal not including Maghera Leisure Centre as it has done for the last number of years.
3.2	It is therefore recommended that Greenvale Leisure Centre membership (including Household and Monthly Direct Debit Membership) packages include use of Maghera Leisure Centre. This will ensure that customers will continue to receive the same level of service that they previously did.
