Dear Mr McCreesh,

Re: Ireland's Hidden Heartlands

At the June Council meeting when discussing the Economy Minister's recent comments regarding the potential for the expansion of tourism brands including 'Ireland's Hidden Heartlands' into Northern Ireland, Members asked that I write to our neighbouring Councils with an interest in promoting tourism in Tyrone, to seek your views on the Minister's proposal and asking if Mid Ulster District Council or Derry and Strabane District Council would be willing to participate in such an initiative.

The Council looks forward to receiving your response.

Yours sincerely
